

RESOLUTION NO. 2009-7-3

**A RESOLUTION OF THE SALTON COMMUNITY SERVICES DISTRICT
ESTABLISHING ANNUAL COST ANALYSIS OF SEWER CONNECTIONS.**

WHEREAS, Salton Community Services District, Resolution No. 2004-7-3 established the policy that at the June meeting of each year, the cost of sewer connections be reviewed and affixed accordingly; and

WHEREAS, the present average district cost of making a sewer connection has increased due to material, labor and equipment maintenance; and

WHEREAS, the cost of fuel has also rapidly increased; and

WHEREAS, the Salton Community Services District Board of Directors are aware of this matter.

NOW, THEREFORE BE IT RESOLVED, that all sewer connections to a main line will be \$5,000.00 dollars for any building with a depth not to exceed 8 feet. Deeper depths will be charged extra for the additional time required to complete the job.

BE IT FURTHER RESOLVED, that any sewer connection requiring a street crossing encroachment permit, that the permit fee plus the cost of material to repair the asphalt to Imperial County Public Works standards, will be billed to the sewer permit applicant.
