

To: Board of Directors
Re: Fire Department Report
From: Rosa Reagles, Fire Department Administrator
Meeting date: November 18, 2008

RR

- a. There were 38 calls for the month of October.
24 Medical Assts 9 Fires 5 Traffic Collisions 3 Public Assist & 2 Trainings
- b. November 22nd from 9am - 3pm the Red Cross will hold a training class here at the office; 15 people have registered to attend the training.

Other administrative matters:

- c. November 12th staff met with Mr. Scott Kopper & Ms. Lyn Gruber in an introduction meeting, we went over the sewer maintenance needs and the project timing/balloting process. They have indicated that it should not take more than four months.
- d. November 12th I met with a representative of Burke to bring the playground equipment, at both parks, into ADA compliance. This might take the rest of the \$51,125 left in our account. I currently purchased 19 cloths to install as shade structures over the handicap picnic table and other areas in Desert Shores Park. With the help of a volunteer, a handicap emblem has been painted on the parking space at both parks.
- e. Please have a great Thanksgiving.

Thank you and any questions?
